

# Newsletter International Cops for Christ

Mike DiSanza Ministries Nov/Dec, 2009 Edition

## California Here I come!

Mike was invited to LA in early November, where he was interviewed on a Christian TV show, Lifestyles Magazine. This program airs on Sky Angel and TBN. The taping was for a one hour show where he had the opportunity to share his testimony and was interviewed regarding Cops for Christ. They plan to air the show in January and he was informed that the program will reach many hundreds of thousands of people.

While he was in California he was also invited to share at two Bible Studies and also at a Vineyard church during two services where 35 people were saved. He also had positive response to his messages via e-mail etc. and that is always good news.

## What's happening on the home front?

Mike has been sharing as the main speaker at a prison in Brooksville, FL For the past year. During that time approximately 98 people have been saved so far. He spoke last night 12/11 and eight women got saved. (This is part of the 98 total).

In addition to this he shares at a weekly Bible Study at our home church, currently he is teaching on the Book of Acts. He has also been teaching on Daniel.

Ann has been volunteering at our local church doing some administration...one of her responsibilities have been overseeing the Children's Ministry and doing the bookkeeping and the Administration for our daycare and preschool. We minister mostly to children of very low income families and we have also been providing food baskets to them on a regular basis. Our local church feeds the hungry once a week a hot meal ( usually about 100 people) and give out about 60 food baskets to the needy.

Our local church also puts on a Christmas Comedy dinner theater each year. This is a tremendous outreach to the community and is offered free of charge. We always pick a play with a strong Christian message. This year, we performed, "Christmas comes to Detroit Louie." Ann acted as the director and also the make-up person for the entire cast. It was awesome. Very exhausting 5 days, but very rewarding.

## What are the plans for the New Year?

Our plans are to go to Nigeria, Africa, as well as Ireland, England, N. Ireland and Guyana. If it is possible we would also like to set up a trip to W. Canada, Lord willing.

## What about the family

🔔 Last March we welcomed in to the DiSanza clan Tyson Douglas DiSanza. He has been such a joy to all of us and Doug and Chrissy are great parents.

🔔 Vanessa, daughter of Rachel & Drew is being tested for the gifted program at school. Isaac is looking forward to starting Middle School next year. Oh my! Mom teaches and is working on her Master's Degree

🔔 Gabriella the daughter of Michael & Melissa is a very serious student preparing for HS next year and looking forward to studying Italian. Mike's a great parent.

🔔 Jon is still in Jacksonville, studying and navigating his way in life. He shared with me that he is considering working with the Salvation Army and ministering to the downtrodden which he has always had a heart for.

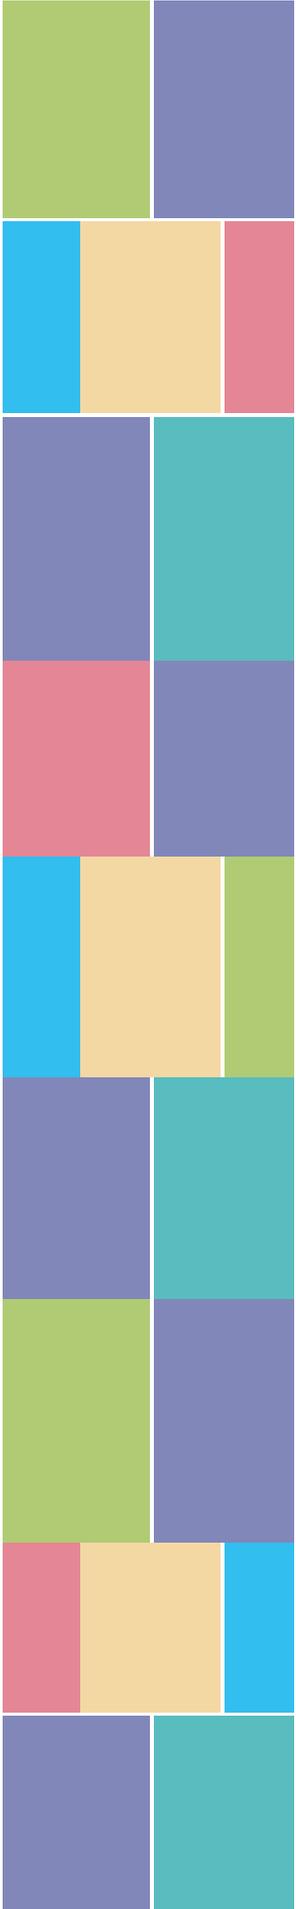

🔔 Please keep us all in prayer as we keep on keeping on for Jesus until He comes.

🔔 Special prayer request that the Lord will draw all of our children to Him in a powerful way and that they will all work for the Kingdom of God...it's all that really matters.

🔔 MAY GOD RICHLY BLESS YOU ALL AND HAVE A VERY MERRY CHRISTMAS AND A HAPPY AND HEALTHY NEW YEAR.

🔔 Please also remember our Pastor and his son this Christmas. Britton was diagnosed with inoperable brain cancer. He is currently going through radiation and chemo. They believe that they have already arrested 85% of the cancer, but docs want to continue with the chemo indefinitely.

Love and best wishes to you all  
Mike and Ann
