## *At Home*--Mike continues to minister in a local

prison where recently 13 were gloriously saved. Then a few days later a young muxxlim woman had a dream while she slept in her cell. In the dream a voice told her that "Jesus is the way the truth and the light. He is the only way to the Kingdom of Heaven." When she woke up she committed to life to the Lord and changed her registration in the prison to indicate Born Again Christian. Praise the Lord."

He also continues to minister at a Bible Study class every Sunday morning. After finishing the book of Romans, he is now teaching Galatians.

Ann continues to work as Bookkeeper/Administrator of our local church daycare (volunteer) and help with children's ministry.

## *Family*--The children are all well, praise the Lord Jesus.

- Jon's in college in Jacksonville
- Rachel's working on her Masters' while working full time with 2 kids.
- The grandkids are all doing well in school except, of course, Tyson Douglas DiSanza, who is only seven months old and such a joy to all of us.

## *Zacatecas, Mexico*--what a beautiful city! Our

first service at Eternia Rocca was absolutely amazing! The worship led by Pastor Horacio was just wonderful. Mike delivered a great message with a terrific interpreter. Roughly 5 people raised their hand for salvation and about 20 for the Baptism in the Holy Sprit and a bout 10 came up for healing. One guy gave a testimony at the end of the service that he had been healed of paralysis on one side of his face due to Bells Palsy. Praise God! He is so faithful!

Mike had two early morning meetings with the Ferderalies at a local prison. There had been a major prison break recently, so the Federalies had to take over since all the guards on duty when it happened were fired. At each of the meetings there were approximately 25-30 officers who were just coming off a 24 hr. shift. By the time Mike had finished there were all so grateful, There were lots of "gracias" and hugging of his neck.

**Wednesday** evening we had the opportunity to minister at a AG church in the city of Guadalupe. We passed the beautiful ornate building(the famous cathedral of Guadalupe/Madonna of Guadalupe) to preach in a simple building where the Holy Spirit moved there were many hands for salvation,& for healing. We were invited to return when we get back to Zacatecas again.

We were denied the permission to speak to the police in the station house. In between, we visited LaCasa, see pix below.

Saturday, we had an awesome Ladies' Brunch. There were about 20-30 women in attendance. As usual here, the food was in abundance. I shared on how God Loves Women and how He wants to use us to further the Kingdom of God. I also shared my testimony on how God healed me of MS. I prayed with many women for various issues such a healings and family issues. There lots of hugs, many "gracias" & "Dios te Bendegas" (God bless you). I love the Latin people.

Sunday Morning again visited Horacio and Katy's church "Eternal Rock" The place was packed. There had to be about 159-175 adults and about 100 children. LeeAnn then drove us to AG church. Their service began at 1:00 pm (prior to which they had Sunday School) The pastor's son named Obed translated for us. It was an awesome move of God! The people responded so well to the message, many raised their hands for salvation & Baptism in HS as well as healings. Praise God!

**The trip home**--we had to re-check our bags three times and go through security 3 times. Horacio drove us to the airport at 7:00 am and we did not get into our home till almost 3:00am the following morning. We were so excited with what God had accomplished in Zacatecas that it did not matter one bit. We are so grateful that the Lord sees fit to use us in these last days to bring souls into the Kingdom and to encourage others as well. Thank you Jesus!
