Well I am back from Vietnam, and was totally exhausted when I finally arrived home after over 50 hrs. traveling. However, Praise the Lord Jesus I am feeling much better now. As you might know we have had 45 people saved and many more heard the gospel for the first time...let us all pray that the Holy Spirit pricks their hearts as well.

My buddy Gene and I had the opportunity to teach 120 pastors 8 hours a day for 14 days. Most of them came forward after each of the meetings for the Baptism in the Holy Spirit. These wonderful men of God love the Lord Jesus but are very weak in the Word. They just lack the teaching. There is no Bible School in Vietnam. Pastors who have the money may go to the Philippines to learn, but most of these men were very poor and we delighted that we were there to teach and encourage them. We left the elementary teachings of common salvation to teach the following subjects:

- Baptism the Holy Spirit
- How to Effectually Evangelize
- The Rapture of the church
- The 2nd Coming,

We also taught from the books of Daniel, Ezekiel, and Revelation. Many of these pastors were young and fervent for the Lord and shared with me that they have never heard teaching on many of these subjects.

Vietnam has a population of 90 million people. Half of which are Buddhist and the other half are committed to either Communism and Atheism. It is one of the poorest nations in the world.

Next year, Lord willing, I will be going back (probably in April) to continue what was begun on this trip. In addition, I hope to also go from Vietnam to Cambodia and possibly Laos.

We truly operated in the gifts of the Holy Ghost

and the powerful preaching of the Word caused many signs and wonders to happen. God is moving in these last days in that part of the world to win the lost. Jesus loves all of Asia! If you are interested or would like to come along with us next year, give me a call or write an email.

The head person that I ministered with, Pastor Nam, who is a wonderful Christian man with a lovely wife and newborn son. At only 38 years old he has been saved for 10 years, and he has been arrested numerous times. Remaining in jail for 3 to 6 months at a clip. This inspires me to challenge us Christians, "What are we doing for Jesus?" The places where we ministered were:

- Saigon (officially as Ho Chi Minh City)
- Vung Tau Province
- MEKong Delta
- Ninh Thuan Province

The main inspiration for me going to Vietnam was that my twin brother, Tommy, served in the War there, and died as a result of complications due to his time there. He had asked me that if I ever get the opportunity to go there, to please go and preach to the people of Vietnam the glorious Gospel of our Lord Jesus Christ. "Well, brother Tommy, mission accomplished! I think of you often Tommy, and someday when I see you in Heaven, I will hug you many times. I love you."

We truly used the scripture from the Book of Jude, "Pull them from the fires of Hell and bring them to the salvation of Jesus." Three of us went, Gene Kabbe former missionary to Asia, Ed Enterkin, Retired Det. From Indiana and myself...PTL!.

Love you all

Love, Jesus Mike and Ann
